

# FlowForce Max Australia Reviews 2024: Ingredients, Benefits and Side Effects

Men over 50 should regularly check their prostate since it can get more problems with age and from pollution. While vitamins can help fight off some damage, they're not the only thing needed for a healthy prostate. FlowForce Max, a chewable pill made for this, might be a better choice. It's a more solid and easy way to look after prostate health.

## What is FlowForce Max?

FlowForce Max is a supplement designed to help men improve their strength, stamina, and sexual health. It also works to support prostate health, boost energy, and help reduce stress. Keep in mind, though, that results can vary for each person. It's a good idea to talk to a doctor before starting any new supplement to make sure it's safe for you.

## The Ingredients of FlowForce Max

FlowForce Max NZ is a health supplement made from natural ingredients, each with special health benefits:

- **Graminex Flower Pollen Extract:** Helps with prostate and bladder health and has been used for over 30 years.
- **Luteolin:** A plant-based ingredient that helps protect nerve cells, boosts the immune system, and acts as a natural shield against cell damage.
- **Fisetin:** Found in many fruits, it helps protect cells, reduces swelling, and might be good for heart health and fighting off cancer.
- **Oregano Leaf Extract:** More than a cooking herb, it fights germs, reduces swelling, and protects cells.

- **Monolaurin:** From coconut oil and breast milk, believed to have various health benefits.
- **Grape Seed Extract:** Loaded with natural protectors, it reduces swelling, protects cells, helps control blood pressure, strengthens bones, and improves skin health.
- **Muira Puama:** An herbal remedy from the Amazon region.
- **Saw Palmetto Extract Powder:** Often used for men's health, especially prostate health.
- **ViNitrox:** A mix of grape and apple extracts, used to reduce stress, increase energy, and improve physical performance.
- **Sucralose:** A sweetener to improve taste and heat resistance.
- **Tricalcium Phosphate (TCP):** Aids in cell communication, energy production, and bone strength.
- **Peppermint Leaf Extract Powder:** Mainly for flavor, but also helps with nausea, headaches, and digestion.
- **Perilla Leaf Extract:** From the Perilla plant, used for stomach and respiratory issues.
- **Powdered Silk:** Controls oil, maintains moisture, and minimizes pores for better skin health.
- **Magnesium Stearate Powder:** Used to prevent ingredients from sticking and ensure even blending in supplements.
