Working Of Kerassentials: How It Tackles Toenail Fungus

Kerassentials works by providing nutrients that hinder toenail fungus growth. The anti-fungal compounds in the tonic stop fungal growth and cleanse beneath the toenail, cutting off the fungus's food supply. With consistent use, the fungus eventually disappears.

Additionally, the tonic repairs nail damage and promotes healthy toenail regrowth, maintaining an inhospitable environment for the fungus. Kerassentials oil also moisturizes the skin and toenails, leaving a pleasant fragrance and [eliminating toenail fungus](#).

What's inside Kerassentials Nail Health Formula?

Kerassentials nail health serum is made up of plant-based ingredients with various benefits. Here's a brief

overview of the key components:

- **Lavender Oil:** Acts as a potent antifungal agent, providing resistance against various fungal strains affecting skin and nails while enhancing nail keratin.”
- **Organic Flaxseed Oil:** Rich in alpha-linolenic acid and fiber, it offers nourishment and moisture, soothes itchiness in toenail areas and provides anti-inflammatory protection.
- **Almond Oil:** functions to prevent fungal growth and promote healthy nail growth through anti-fungal compounds and essential minerals like potassium and zinc.
- **Tea Tree Oil:** is effective in curbing fungal growth and preventing further infestations, thanks to its antibacterial and antifungal properties.

- **Lemongrass Oil:** contains specific antifungal properties that effectively combat fungal issues and reduce inflammation in toenails and their surroundings.

Kerassentials Dosage: Optimal Application For Better Results

The recommended dosage for Kerassentials nail health supplement is four times daily, divided between morning and afternoon, with two drops at each time.

Use the enclosed applicator to coat the nail and edges, and employ a cotton swab to work the tonic into the cuticle for more effective results.

For focused application, use an emery board to prepare the nail surface before applying the Kerassentials serum, allowing for better absorption.

Benefits Of Using Kerassentials

Benefits of using Kerassentials include:

- **Prevents regrowth of fungus:** Kerassentials oil helps replace damaged toenails with healthier ones that have strong keratin, preventing further fungal growth.
- **No irritation:** The serum absorbs into the nail, relieving intense itching caused by fungal infestation.
- **Eliminates foul smell:** Kerassentials' anti-fungal formula resolves the underlying issues, curbing the unpleasant odor associated with toenail fungus.

- **Moisturizes skin and toenails:** With ingredients like Aloe Vera, Kerassentials keeps your nails and skin hydrated, promoting a clean and healthy appearance.
