

# Mystery School Code Reviews - Should You Buy or Waste of Money?

Do you feel you should be getting more out of your life? That's because you deserve more. We all have the power to change, and that ability gives us the raw materials we need to manifest our destiny in the form we want.

The fact that you're reading this right now means that you dream of creating more abundance in your life. So, what stops us from achieving our goals and desires? What's holding us back from success?

The reality is the strategies we use to achieve what we want to keep us from reaching the stars in our lifetime if we have the right strategy, a blueprint to follow, and a plan to move forward.

Chances are you already have the strategies and the desire to make it, but something else is confining your spirit from achieving abundance in your life.

What if you could change all that in 120 seconds?

## Why Is Wealth & Power in the Hands of the Few?

Why is it that less than 0.001% of the global population control 70% of the wealth? You've read the articles of the rich and famous, and they all talk about how they came from nothing to reach the pinnacle of success. What if there was something they weren't telling you? Well, there is. There's a way to dramatically induce change in your life in the next five minutes.

By the time you finish reading this review on the Mystery School Code, you'll have the [opportunity to harness your inner fire and break through the barrier holding you down](#) in the chains of mediocrity. You see, the rich and famous all have one thing in common. They understand a hidden secret. As beings of light, we

all vibrate at a specific frequency. But what does that mean? All matter is energy. We know this from science.

And all energy vibrates at a particular frequency. For instance, did you know the vibrational frequency of water is 3657 cm<sup>-1</sup> and 3756 cm<sup>-1</sup>? That's a scientific fact, but what does that have to do with you?

You're mostly made of water; understanding your vibrational frequency is critical to finding abundance. The wealthy and famous people in the world understand this concept.

## **Leveraging Sound to Change Your Vibrational Energy to a Spirit of Abundance**

When you change your vibration, you change your life, but how do you do that exactly? Changing the frequency at which your mind vibrates allows you to manifest anything you want in life. Some people, like Tibetan monks, learn to do this over a lifetime of training and meditation. They alter their vibration to change their mindset and, in turn, their reality.

The answer is in the [Mystery School Code](#).

# Unlock the Power of Your Mind & the Secret of Abundance with the Mystery School Code

Think about that for a minute. Sound is all around us, and it dramatically impacts our lives. For instance, most of us experience sound through speech.

How often have you been told that you don't deserve what you want, and how often have you heard that you deserve anything you like? Most people don't receive the vocal support they need in life, and how does it make them feel when someone steps in on their dreams?

It makes them feel worthless, like they don't deserve what they desire. You might have experienced this in your life – probably more than once. But how does it make you feel when someone tells you you can make it and achieve your goals? [You feel satisfied and excited like the world is your oyster.](#)

Those different mental states are two different levels of vibration, activated by sound – the words you hear. What if there was a

sound, more than speech, that could push you into this vibrational state of abundance?

That's the Mystery School Code.

# What Is the Mystery School Code?

The Mystery School Code is a safeguarded secret with a 5,000-year legacy. It dates back to the time of Ancient Egypt and the pharaohs, and some believe it might have been the tools the pharaohs used to build the pyramids.

The Mystery School Code is a frequency, a sound that locks your mind into a state of abundance, helping you make the changes you need in life to experience success. The Mystery School Code goes back to the times of Jesus and his followers; it's the tools and strategy he used to create something out of nothing. # The Path to Success Starts with Taking Action

Remember the last time someone told you something good about yourself and how it made you feel emotional? How long did that last? Did it inspire you to reach out for abundance? You probably felt suitable for a few minutes, maybe an hour – perhaps even a day.

You might have made a commitment to yourself to chase your dreams, but why didn't they manifest into your reality? The reason? Because you didn't get continued support and access to that vibrational state. Eventually, the energy and vibration it created within you began to fade into the ether of the universe.

With the Mystery School Code, you get a digital audio file to keep that vibrational state moving forward. You get a constant, consistent push towards abundance because your subconscious keeps vibrating in that state. But you can't reach this state until you pull the trigger and take action.

Action is what drives you forward, and it's what makes you want to put on a pair of headphones and listen to the Mystery School Code.
