What are the ingredients in Red Boost?

1. Fenugreek

Fenugreek in Red Boost is known for its ability to enhance libido and sexual performance. It contains compounds that may increase testosterone levels, supporting overall sexual health and vitality.

2. Horny Goat Weed Extract

Horny Goat Weed Extract is a well-known aphrodisiac that has been used for centuries to improve sexual function. It may help increase blood flow to the genitals, promoting stronger and longer-lasting erections.

3. Tongkat Ali Extract

Tongkat Ali Extract is renowned for its potential to boost testosterone levels and improve male fertility. It may enhance libido, muscle strength, and overall sexual performance in men.

4. Citrulline

Citrulline is a precursor to arginine, which plays a crucial role in nitric oxide production. Increased nitric oxide levels can improve blood flow to the muscles and genital area, leading to enhanced sexual performance.
