What is The BioEnergy Code?

The BioEnergy Code is the only manifestation program founded on the foundational ancient chakra teachings, cutting-edge neuroscience, and the BioEnergy Switch. With a significant budget, this program improves your "chakra masters" and manifestation gurus.

It includes a short 30-minute audio meditation that can help change your BioEnergy from an opposing force when listened to once daily.

The energy that has been preventing you from creating the life of your dreams is finally cleared. It clarifies your mind and body to keep them healthier and teaches you how to master all seven "Chakras."

Most manifestation courses only discuss how to control the negative energy accumulated in your body before you may materialize a brand-new, prosperous reality. As a result, the BioEnergy Code benefits you.

Many programs concentrate on your mentality while omitting the fact that your body is weighed down by negative energy that has been stored.

There is no protracted, drawn-out process of learning and mastering the energy centers or chakras since The BioEnergy Code addresses all blocked energy locations simultaneously.

The Code is the only method of manifesting that blends cutting-edge brain science with time-tested, traditional chakra "energy work." It enables you to activate the "switch" that the Code uses to take control and to continue promoting results despite your lack of "expertise."

About the creator of The BioEnergy Code:

Angela Carter started the BioEnergy Code. She based the creation of this curriculum on his personal experiences. **What Angela discovers is that the potent "switch" removes what prevents your abundance.** The program's easy phases make it easier for you to feel close to [financial wealth](#) and connected to your source.

Her embarrassing tale serves as an example of how anyone can learn how to transform their tale into one of limitless prosperity. The program keeps you moving and works to improve your brain clarity. In this show, she discussed "Epigenetics," or the transmission of stored trauma from one generation to the next.

What will you obtain from The BioEnergy Code?

- **Phase 1:** The auditory frequencies aid in aligning, opening up, and meditating your brain throughout phase one. The precise frequencies specifically target your BioEnergy. Better alignment and healing are provided, **which control your thinking. One is the 432 Hz "God Frequency,"** also called the "Golden Frequency" in this phase because the primary basis is guided meditation through the 7 different

BioEnergy Centers, together with certain audio frequencies that target your bioenergy.

- **Phase 2:** The Root Chakra is linked to the BioEnergy center in the second phase. To succeed in life, you need a strong sense of safety and security; thus, this phase guides you in identifying where those things are lacking. The [manifestation](#) current might start to flow after the BioEnergy switch has been turned on.
- **Phase 3:** Another name for the third stage is the sacral chakra. This energy center fosters sensations of joy, deep, meaningful relationships, and emotional intelligence when it is free to flow. By respecting your desires, needs, and emotions throughout this phase, The BioEnergy Code will assist you in re-establishing a sense of balance in your interpersonal interactions.
- **Phase 4:** The Solar Plexus Chakra is another name for this phase. Your inner fire, strength, and enjoyment are all supported by the power core of your being, which is contained here. And you'll come out stronger than ever as your true self.
- **Phase 5:** The Heart Chakra is the name given to the fifth stage. In your body, it serves as the center of affection. You will experience the sorrow of previous failures and the dissolution of your barriers to receiving love during this time. It gives the limitless, bright love that is already inside you.
- **Phase 6:** The energy of spoken truth and self-expression is promoted by this chakra, also referred to as the throat chakra. You may let go of what other people may think of you during this moment. In this way, the lovely self-expression of your reality energizes you.
- **Phase 7:** The seventh stage, or third eye chakra, aids in greater focus maintenance. In this stage, self-doubt is eliminated and replaced by assurance in your ability to perceive reality insightfully and wisely. You'll feel your intuition has come back to life through guided visualizations and affirmations.
- **Phase 8:** Your Crown Chakra is the stage you are currently in. It encourages a fundamental comprehension of "**individuality**" and "**separation.**" But the most recent energy science and conventional wisdom point to our interconnectedness. Throughout this stage, you'll feel deeply "one" and whole with the universe's energy.
- **Phase 9:** The ninth phase—the final one—directs you in letting go of your visualizations while clinging to the emotional energy. As you return to your conscious life, you'll feel a new sense of tranquility and comforting affection. Your BioEnergy centers awaken and pave the road for the manifestation current's unrestricted flow.
